

SUMMARY OF PERSONAL AIRPORT PROJECT EXPERIENCE

→ ARIZONA

- Bisbee Municipal Airport** – Bisbee, Arizona / New Runway 17/35 and Apron Construction – Phase 1
- Bisbee Municipal Airport** – Bisbee, Arizona / Runway and Apron Pavement Overlay – Phase 2
- Bisbee Municipal Airport** – Bisbee, Arizona / Original Airfield Lighting System
- Bisbee Municipal Airport** – Bisbee, Arizona / New Medium Intensity Airport Lighting Installation
- Bisbee Municipal Airport** – Bisbee, Arizona / Preparation of Airport Master Plan and Airport Layout Plan
- Bisbee-Douglas International Airport** – Douglas, Arizona / Preparation of Airport Master Plan and Airport Layout Plan
- Bisbee-Douglas International Airport** – Douglas, Arizona / Airport Noise Exposure Analysis for EA (FAA Integrated Noise Model)
- Bisbee-Douglas International Airport** – Douglas, Arizona / Runway 17/35 Pavement and Lighting Reconstruction
- Bisbee-Douglas International Airport** – Douglas, Arizona / Survey Monument Installation (PACS/SACS) and ALP Update
- Buckeye Municipal Airport** – Buckeye, Arizona / Airport Layout Plan
- Buckeye Municipal Airport** – Buckeye, Arizona / Runway and Apron Construction
- Chandler Municipal Airport** – Chandler, Arizona / AWOS Site Evaluation Study
- Chandler Municipal Airport** – Chandler, Arizona / Wind Data Analysis
- Chandler Municipal Airport** – Chandler, Arizona / Airport Layout Plan
- Chinle Community Airport** – Chinle (Navajo Nation), Arizona / Construction of New Airport (Runway, Taxiways, Apron) – Phase 1
- Chinle Community Airport** – Chinle (Navajo Nation), Arizona / Runway Extension, Apron Extension, Access Road, and Lighting – Phase 2
- Cochise County Airport** – Willcox, Arizona / Apron and Taxiway Pavement Reconstruction and Lighting Renovation (MIRL)
- Coolidge Municipal Airport** – Coolidge, Arizona / Runway 5/23 Pavement Rehabilitation
- Coolidge Municipal Airport** – Coolidge, Arizona / Runway 17-35 Pavement Marking
- Coolidge Municipal Airport** – Coolidge, Arizona / Airport Layout Plan Update
- Coolidge Municipal Airport** – Coolidge, Arizona / Apron, Access Road, Taxiway, and Runway Reconstruction
- Coolidge Municipal Airport** – Coolidge, Arizona / Reconstruction of Portland Cement Concrete (PCC) Aircraft Parking Apron
- Coolidge Municipal Airport** – Coolidge, Arizona / Runway 5/23 Threshold Lights and PAPI System
- Coolidge Municipal Airport** – Coolidge, Arizona / Airport Capital Improvement Program (ACIP)
- Coolidge Municipal Airport** – Coolidge, Arizona / DBE Program
- Deer Valley Airport** – Phoenix, Arizona / Electrical Vault Construction
- Deer Valley Airport** – Phoenix, Arizona / Taxiway Safety Area and Infield Drainage Improvements
- Deer Valley Airport** – Phoenix, Arizona / Runway 7L-25R Pavement Rehabilitation and Waste Disposal Sites

SUMMARY OF PERSONAL AIRPORT PROJECT EXPERIENCE

(Arizona continued...)

Ernest A. Love Field / Prescott Municipal Airport – Prescott, Arizona / Runway 3R/21L and Parallel Taxiway Reconstruction

Ernest A. Love Field / Prescott Municipal Airport – Prescott, Arizona / Parking Apron and Taxiway Reconstruction

Ernest A. Love Field / Prescott Municipal Airport – Prescott, Arizona / FAA Reimbursement Agreement

Ernest A. Love Field / Prescott Municipal Airport – Prescott, Arizona / Airport Capital Improvement Program (ACIP)

Ernest A. Love Field / Prescott Municipal Airport – Prescott, Arizona / Storm Water Pollution Prevention Plan (SWPPP)

Ernest A. Love Field / Prescott Municipal Airport – Prescott, Arizona / Disadvantaged Business Enterprise (DBE) Program

Ernest A. Love Field / Prescott Municipal Airport – Prescott, Arizona / Airport Layout Plan (ALP)

Ernest A. Love Field / Prescott Municipal Airport – Prescott, Arizona / FAR Part 77 Airspace Analysis

Ernest A. Love Field / Prescott Municipal Airport – Prescott, Arizona / Terminal Building Site Assessment study

Ernest A. Love Field / Prescott Municipal Airport – Prescott, Arizona / Airport Master Plan

Ganado Airport – Ganado (Navajo Nation), Arizona / Preparation of Airport Master Plan

Ganado Airport – Ganado (Navajo Nation), Arizona / Preparation of Phase One Environmental Assessment for Airport Improvements

Gila Bend Municipal Airport – Gila Bend, Arizona / Preparation of Airport Master Plan (1980)

Gila Bend Municipal Airport – Gila Bend, Arizona / Environmental Assessment for Runway 4/22 Extension

Gila Bend Municipal Airport – Gila Bend, Arizona / Runway 4/22 Extension

Gila Bend Municipal Airport – Gila Bend, Arizona / Wind Data Analysis

Gila Bend Municipal Airport – Gila Bend, Arizona / Parallel Taxiway Extension, Lighting and Signage

Gila Bend Municipal Airport – Gila Bend, Arizona / Airport Master Plan Update (2003)

Gila Bend Municipal Airport – Gila Bend, Arizona / Runway and Taxiway Pavement Preservation

Gila Bend Municipal Airport – Gila Bend, Arizona / Aircraft Parking Apron Reconstruction

Gila Bend Municipal Airport – Gila Bend, Arizona / Security Fence Installation

Gila Bend Municipal Airport – Gila Bend, Arizona / DBE Program

Gila Bend Municipal Airport – Gila Bend, Arizona / Terminal Building Remodeling

Gila Bend Municipal Airport – Gila Bend, Arizona / Runway 4/22 PAPI and Terminal Security Lighting

Gila Bend Municipal Airport – Gila Bend, Arizona / Airport Capital Improvement Program (ACIP)

Glendale Municipal Airport – Glendale, Arizona / Airport Master Plan and Airport Layout Plan for New Reliever Airport

Glendale Municipal Airport – Glendale, Arizona / Environmental Impact Statement (EIS) for New Reliever Airport

Grand Canyon National Park Airport – Tusayan, Arizona / Fire Control System and Drainage

SUMMARY OF PERSONAL AIRPORT PROJECT EXPERIENCE

(Arizona continued...)

Greenlee County Airport – Clifton, Arizona / Preparation of Airport Master Plan

H.A. Clark Memorial Airport – Williams, Arizona / Preparation of Airport Master Plan

H.A. Clark Memorial Airport – Williams, Arizona / Runway Reconstruction

Holbrook Municipal Airport – Holbrook, Arizona / Aircraft Parking Apron Construction

Holbrook Municipal Airport – Holbrook, Arizona / Airport Master Plan and Airport Layout Plan

Holbrook Municipal Airport – Holbrook, Arizona / Runway Reconstruction and Threshold Relocation

Kayenta Airport – Kayenta (Navajo Nation), Arizona / Airport Master Plan and Airport Layout Plan

Kingman Airport – Kingman, Arizona / Airfield Lighting System

Luke Air Force Base – Phoenix, Arizona / Aircraft Service Ramp and Taxiway Design

Mesa-Falcon Field Airport – Mesa, Arizona / Taxiway Bravo Reconfiguration Study and Construction Plan Support Services

Mesa-Falcon Field Airport – Mesa, Arizona / Taxiway A and C and Holding Aprons Study

Mesa-Falcon Field Airport – Mesa, Arizona / Runway 4R Holding Apron Hot Spot Mitigation Study

Mesa-Falcon Field Airport – Mesa, Arizona / Runway 4L-22R “High Speed” Exit Taxiway Study

Mesa-Falcon Field Airport – Mesa, Arizona / Airport Layout Plan

Navajo Nation Airport System – Window Rock (Navajo Nation), Arizona / Preparation of a Disadvantaged Business Enterprise (DBE) Program

Navajo Nation Airport System – Window Rock (Navajo Nation), Arizona / Airport Capital Improvement Program (ACIP)

Payson Airport – Payson, Arizona / Preparation of Airport Master Plan and Airport Layout Plan

Payson Airport – Payson, Arizona / Runway Reconstruction

Payson Airport – Payson, Arizona / DBE Program

Phoenix/Mesa Gateway Airport – Mesa, Arizona / Phoenix/Mesa SkyBridge Air Cargo Development Study

Phoenix Sky Harbor International Airport – Phoenix, Arizona / Taxiway C and Terminal Apron Reconstruction

Phoenix Sky Harbor International Airport – Phoenix, Arizona / FAR Part 77 Airspace Analysis for Light Rail System Development

Phoenix Sky Harbor International Airport – Phoenix, Arizona / Capital Improvement Program (CIP) Development and Management

Phoenix Sky Harbor International Airport – Phoenix, Arizona / West Terminal Planning Study

Pinal County Airpark – Pinal County, Arizona / DBE Program

San Manuel Airport – San Manuel, Arizona / Assistance in Airfield Lighting Construction Administration

San Manuel Airport – San Manuel, Arizona / Airport Master Plan

San Manuel Airport – San Manuel, Arizona / DBE Program

Safford Regional Airport – Safford, Arizona / DBE Program

SUMMARY OF PERSONAL AIRPORT PROJECT EXPERIENCE

(Arizona continued...)

Safford Regional Airport – Safford, Arizona / Taxiway, Airfield Lighting, and Access Road Construction

Safford Regional Airport – Safford, Arizona / Airport Lighting System Upgrades

Scottsdale Airport - Scottsdale, Arizona / Private Hangar Development Studies

Sedona Airport – Sedona, Arizona / Airport Master Plan and Airport Layout Plan

Sedona Airport – Sedona, Arizona / Parking Apron Reconstruction

Seligman Airport – Seligman, Arizona / Airfield Lighting System for New Airport

Seligman Airport – Seligman, Arizona / Terminal Building Design

Show Low Regional Airport – Show Low, Arizona / Airport Master Plan and Airport Layout Plan

Show Low Regional Airport – Show Low, Arizona / New Primary Runway, Taxiways, and Lighting

Show Low Regional Airport – Show Low, Arizona / New Aircraft Parking Apron

St. Johns Industrial Airpark – St. Johns, Arizona / Preparation of Airport Master Plan and Airport Layout Plan

St. Johns Industrial Airpark – St. Johns, Arizona / Crosswind Runway Reconstruction and New Aircraft Parking Apron

St. Johns Industrial Airpark – St. Johns, Arizona / Primary Runway Extension and Reconstruction

Superior Airport – Superior, Arizona / Site Selection Study and Airport Master Plan for a New Regional Airport

Taylor Municipal Airport – Taylor, Arizona / Airport Planning Study

Taylor Municipal Airport – Taylor, Arizona / Aircraft Parking Apron Reconstruction

Tombstone Municipal Airport – Tombstone, Arizona / Preparation of Airport Master Plan and Airport Layout Plan

Town of Springerville Municipal Airport – Springerville, Arizona / Preparation of Airport Master Plan and Airport Layout Plan

Town of Springerville Municipal Airport – Springerville, Arizona / Aircraft Parking Apron Construction

Town of Springerville Municipal Airport – Springerville, Arizona / PAPI Installation on Primary Runway

Town of Springerville Municipal Airport – Springerville, Arizona / Crosswind Runway Construction

Tuba City Airport – Tuba City (Navajo Nation), Arizona / Site Selection Study (not built at recommended site)

Tuba City Airport – Tuba City (Navajo Nation), Arizona / Drainage Study and Runway Improvements

Wickenburg Municipal Airport – Wickenburg, Arizona / Runway Extension and Parallel Taxiway

Wickenburg Municipal Airport – Wickenburg, Arizona / Runway and Taxiway Lighting

Wickenburg Municipal Airport – Wickenburg, Arizona / Helipad Development Feasibility Study

Window Rock Community Airport – Window Rock (Navajo Nation), Arizona / FAR Part 77 Obstruction Analysis

Window Rock Community Airport – Window Rock (Navajo Nation), Arizona / Runway Reconstruction

Window Rock Community Airport – Window Rock (Navajo Nation), Arizona / Parallel Taxiway Construction and Airfield Lighting (MIRL)

SUMMARY OF PERSONAL AIRPORT PROJECT EXPERIENCE

(Arizona continued...)

Winslow-Lindbergh Regional Airport – Winslow, Arizona / Aircraft Parking Apron Construction

Winslow-Lindbergh Regional Airport – Winslow, Arizona / Preparation of Airport Master Plan and Airport Layout Plan

Winslow-Lindbergh Regional Airport – Winslow, Arizona / DBE Program

Winslow-Lindbergh Regional Airport – Winslow, Arizona / Aircraft Parking Apron Reconstruction

Winslow-Lindbergh Regional Airport – Winslow, Arizona / Taxiway “A” Lighting, PAPI Installation and RSA Improvements

Winslow-Lindbergh Regional Airport – Winslow, Arizona / Parallel Taxiways “A” and “B” Pavement Widening

Winslow-Lindbergh Regional Airport – Winslow, Arizona / Airport Property Survey and Map

Winslow-Lindbergh Regional Airport – Winslow, Arizona / Airport Capital Improvement Program (ACIP)

→ CALIFORNIA

El Centro Naval Air Facility – El Centro, California / Aircraft Service Apron, Parking Apron and Taxiway Design

→ COLORADO

Las Animas/Bent County Airport – Las Animas, Colorado / Airport Site Selection Study

→ GEORGIA

Daniel Field – Atlanta, Georgia / FAR Part 77 Airspace Analysis and FAA Form 7460 Coordination

→ IDAHO

Regional Development Alliance – Pocatello-Idaho Falls-Blackfoot, Idaho / Eastern Idaho Regional Airport System Study

Rexburg/Madison County Airport – Rexburg, Idaho / Airport Master Plan and Site Selection (Relocation Feasibility) Study

→ IOWA

Mason City Airport – Mason City, Iowa / Independent Fee Estimate for Major Airport Improvements

Sioux City Regional Airport – Sioux City, Iowa / Independent Fee Estimate for Major Airport Improvements

→ MINNESOTA

Anoka County-Blaine Airport – Blaine, Minnesota / Airport Layout Plan Update and Property Map

SUMMARY OF PERSONAL AIRPORT PROJECT EXPERIENCE

(Minnesota continued...)

Baudette International Airport – Baudette, Minnesota / Preparation of Comprehensive Airport Master Plan

Brainerd-Crow Wing County Airport – Brainerd, Minnesota / Preparation of Airport Master Plan

Buffalo Municipal Airport – Buffalo, Minnesota / Preparation of Airport Master Plan and Airport Layout Plan

Buffalo Municipal Airport – Buffalo, Minnesota / Environmental Assessment for New Runway Development

Canby Municipal Airport – Canby, Minnesota / Airport Development Feasibility Study

Chisholm-Hibbing Airport – Hibbing, Minnesota / Environmental Assessment for MALSIR Installation

Cloquet/Carlton County Airport – Cloquet, Minnesota / Development Feasibility Study for New Crosswind Runway Development

Crystal Airport – Crystal, Minnesota / ALP and Federal Aviation Regulations (FAR) Part 77 Obstruction Analysis

Flying Cloud Airport – Minneapolis, Minnesota / Airport Property Inventory and Map

Little Falls/Morrison County Airport – Little Falls, Minnesota / Environmental Assessment for Crosswind Runway Development

Moose Lake Airport – Moose Lake, Minnesota / Environmental Assessment for Runway Improvements

Mora Municipal Airport – Mora, Minnesota / Preparation of Airport Master Plan

Orr Municipal Airport – Orr, Minnesota / Preparation of Airport Master Plan

Roseau Municipal Airport – Roseau, Minnesota / Preparation of Airport Master Plan

Thief River Falls Regional Airport – Thief River Falls, Minnesota / Preparation of Airport Zoning Ordinance

Two Harbors Municipal Airport – Two Harbors, Minnesota / Environmental Assessment for Runway Extension

Winona Municipal Airport / Max Conrad Field – Winona, Minnesota / Environmental Assessment for RSA Improvements

→ MONTANA

Billings Logan International Airport – Billings, Montana / Preparation of Airport Master Plan

→ NEW MEXICO

Four Corners Regional Airport – Farmington, New Mexico / Preparation of Airport Master Plan

Ramah Navajo Community Airport – Ramah (Navajo Nation), New Mexico / Airport Site Selection Study

San Juan Pueblo Airport – San Juan Pueblo, New Mexico / Runway Reconstruction

Sierra Blanca Regional Airport – Sierra Blanca, New Mexico / Emergency Standby Generator System

Sierra Blanca Regional Airport – Sierra Blanca, New Mexico / Hangar Development Area and Taxiway

Sierra Blanca Regional Airport – Sierra Blanca, New Mexico / Holding Line Signage and Marking, Runway Marking and Security Lighting

SUMMARY OF PERSONAL AIRPORT PROJECT EXPERIENCE

→ PENNSYLVANIA

Connellsville Airport – Connellsville, Pennsylvania / Five-Year Action Plan

Connellsville Airport – Connellsville, Pennsylvania / Preparation of Airport Master Plan

Connellsville Airport – Connellsville, Pennsylvania / Modification of FAA Airport Design Standards and RSA Determination

→ UTAH

Cedar City Municipal Airport – Cedar City, Utah / Airport Noise Exposure Analysis (FAA Integrated Noise Model)

Parowan Municipal Airport – Parowan, Utah / Integrated Noise Model (INM) Analysis

→ WEST VIRGINIA

Mingo County Regional Airport – Williamson, West Virginia / Site Grading Plan for New Airport Site Construction

Mingo County Regional Airport – Williamson, West Virginia / Preparation of Airport Master Plan for New Airport

Mingo County Regional Airport – Williamson, West Virginia / Preparation of Environmental Assessment for New Airport Development

Mingo County Regional Airport – Williamson, West Virginia / INM Noise Exposure Analysis

→ WISCONSIN

Amery Municipal Airport – Amery, Wisconsin / Environmental Assessment for New Runway Construction

Boyceville Municipal Airport – Boyceville, Wisconsin / Airport Development Feasibility Study (Runway Improvement Alternatives Analysis)

Chippewa Valley Regional Airport – Eau Claire, Wisconsin / Preparation of Airport Master Plan and Airport Layout Plan

Chippewa Valley Regional Airport – Eau Claire, Wisconsin / PCC Taxiway and Service Ramp Reconstruction and Signage Upgrades

Chippewa Valley Regional Airport – Eau Claire, Wisconsin / Airport Layout Plan Update

Cumberland Municipal Airport – Cumberland, Wisconsin / Airport Layout Plan and Study

Cumberland Municipal Airport – Cumberland, Wisconsin / Hangar Development Area and Auto Parking Layout

Cumberland Municipal Airport – Cumberland, Wisconsin / Airport Maintenance and Storage Facility Design

John F. Kennedy Memorial Airport, Ashland, Wisconsin / Hangar Area Development Plan

La Crosse Municipal Airport – La Crosse, Wisconsin / Taxiway and Air Carrier Apron Design

La Crosse Municipal Airport – La Crosse, Wisconsin / Airport Drainage Plan

SUMMARY OF PERSONAL AIRPORT PROJECT EXPERIENCE

(Wisconsin continued...)

La Crosse Municipal Airport – La Crosse, Wisconsin / FAR Part 139 Guidance Signage Master Plan

Necedah Municipal Airport – Necedah, Wisconsin / Airport Development Feasibility Study

New Richmond Municipal Airport – New Richmond, Wisconsin / Airport Layout Plan and Environmental Assessment for New Runway Development

Portage Municipal Airport – Portage, Wisconsin / Site Selection (Airport relocation) Study and Feasibility Study

Rusk County Airport – Ladysmith, Wisconsin / Airport Development Feasibility Study

Sawyer County Airport – Hayward, Wisconsin / Airport Master Plan (1988)

Sawyer County Airport – Hayward, Wisconsin / Airport Master Plan Update (1994)

Sawyer County Airport – Hayward, Wisconsin / Airport Master Plan Update (1996)

Shell Lake Municipal Airport – Shell Lake, Wisconsin / Airport Layout Plan and FAR Part 77 Airspace Analysis Study

Thorpe Airport – Thorpe, Wisconsin / Feasibility Study for Development of a New Airport

Viroqua Municipal Airport – Viroqua, Wisconsin / New Runway, Apron and Taxiway
